**Agreements:**

**Parent/Guardian**, this class will require participation in the community outside of school hours. I understand it is my student’s responsibility to complete all tasks, participate in all activities, and complete assignments on time. My student will be required to attend the weekly class – which meets on Wednesday afternoons. Leadership’s attendance policy is the same as SAVA’s attendance policy in that if my student misses 2 classes in a row, or 3 classes a semester, he/she will be withdrawn from this class and their slot given to another student. I understand that my student may not bring friends or family members to the meetings, that they must come on time, and that they must be safe and respectful during all events.

**Student agreement:**

I understand that Leadership’s attendance policy is the same as SAVA’s attendance policy in that if I miss 2 classes in a row, or 3 classes a semester, I will be withdrawn from this class and my slot will be given to another student. I will be expected to participate in all activities in the classes, in events outside of school hours, and complete homework. If I do not earn at least 90% of the points possible I will not earn the full 5 credits for this course.

I will only use my cell phone, or other devices, as is respectful and appropriate during all Leadership events. I know I cannot bring friends or family members to the meetings, and that if I have a ride, they will have to wait in the reception area of the school. I know I will be expected to come to all events on time and that if I will be late I will be responsible and call one of the facilitators to let them know. I know that my success in this class is my responsibility. I agree to do my best.

I also agree to be safe and respectful during all activities for Leadership. I will follow the agreed upon terms of the social contract that we will create in the class. I will do my best to become a leader among the students at SAVA.
