Vice Principal's Message

Welcome SAVA students to another great year! We have a lot of new and exciting things happening on campus this year. We have transitioned into our new online curriculum, Edgenuity, to provide more engaging instruction and deeper learning for all students. We are also expanding and offering new CTE offerings, including a new Transportation Collision pathway. CTE has expanded into two new suites, and we have a new main office.

This semester, we are also

offering many exciting school events. Our College and Career Fair will host a wide variety of vendors, colleges and career options for students to explore. The counselors will be taking graduating seniors to visit local community colleges, and a group of teachers have organized an extended field trip for students to Yosemite National Park for three days of learning and investigation in the outdoors. We will also be hosting parent engagement nights throughout the year to share information with

families regarding graduation requirements, state testing expectations, volunteer opportunities and family resources, and other important information.

Thank you all for such a great start to the school year. I look forward to seeing you all around campus, so come by my office and say hi!

SAVA College & Career Fair

We are excited to announce that our annual College & Career Fair will be held on Wednesday, October 11th from 12:30-2:00 p.m. at the George Sim Community Center located on 6207 Logan Street.

The event is open to all students, parents, and community members!

We will have representatives from local colleges, universities, and various branches of the military present to answer your questions and provide you with information! Additionally, local community agencies and business professionals will be available to talk to you about career opportunities and connect you with community resources. Don't miss out on this awesome opportunity!

Attend and find your next great opportunity!

Back to School Night

Thank you to all who came out and joined us for *Back to School Night!* We had a wonderful time with all the students and families who showed up and participated in the SAVA passport activity! Also, congratulations again to our 3 raffle winners who received gift cards for participating!

Students and families also got to enjoy delicious burritos and ice cream sundaes! Below are a couple of pictures from the event.

Parents, please mark your calendars for Oct. 3rd and join us for Parent Engagement Night from 6-7 pm! We look forward to seeing you and sharing great information with you!

Career Technical Education (CTE)

SAVA currently offers classes within the following industry sectors: Arts, Media & Entertainment, Hospitality, Tourism and Recreation, Public Service, Transportation, Building Trades and Construction, Fashion and Interior Design.

All SAVA students are required to complete 20 CTE credits to meet SAVA graduation requirements. Talk to your teacher or counselor about these courses!

Counselor's Corner

Welcome back to another great school year! I am currently settling in a new office this year, but I am so thrilled that I will have a better working space to support all of you! You can now find me in the old main office suite.

Graduating seniors, you may begin completing FAFSA/CADAA applications beginning Oct. 1st. Community college applications are also available online! Make an appointment with me today!
